

Wright Farms Metropolitan District

Newsletter June 2013

Music under the Stars!

The Board of Directors for Wright Farms Metropolitan District (WFMD) distributes this newsletter as a means of communication between the Board and the community concerning the workings of the District. We hope to encourage a cooperative, friendly and enjoyable "sense of community" among the homeowners in the District subdivisions of Holly Crossing, Jasmine Estates, and Wright Farms.

*******Reward*******

Graffiti and Vandalism continue to be a problem. We now have someone coming out every week to remove the unsightly artwork. They will also power wash both pavilions at the parks on a monthly basis. If you see any suspicious behavior, please call the **Sheriff - 303.654.1850** and the **hotline- 720.560.1984. There is a \$1,000 reward for information leading to the arrest and conviction of anyone vandalizing or damaging the property.**

Pedestrian Bridge Update

We are in the final approval stages of our pedestrian bridge. Construction should begin shortly and be completed this summer!

The Anythink Wright Farms Library is pleased and excited to announce a series of backyard concerts to be held in the library courtyard. The concerts will be held on the second Friday in June, July and August from 6:30-8:30. Dickie's BBQ will provide box dinners for a very reasonable price, and there will be beer, wine and beverages for sale.

THE CONCERTS ARE FREE.

July 12 -Chimney Choir—Americana

August 9 –Blue Canyon Boys—Blue Grass

Come and enjoy music under the stars!

Safe Digging Starts with a Call to 811

Avoid injury, expense and embarrassment and a very inconvenient day in the dark, by calling 8-1-1 before you begin your summer digging project. Your underground lines will be marked at no cost to you and you'll be able to dig worry free.

In the Dark? *If your street has a street lamp that is not working properly, call **United Power at 303.637.1300.** Please have the pole number ready. The pole number is a nine digit number, located on bright yellow tape about eye level on the pole. The lamps may take up to three weeks to be repaired.*
