

Wright Farms Metropolitan District

Summer Newsletter 2015

Music under the Stars!

The Board of Directors for Wright Farms Metropolitan District (WFMD) distributes this newsletter as a means of communication between the Board and the community concerning the workings of the District. We hope to encourage a cooperative, friendly and enjoyable "sense of community" among the homeowners in the District subdivisions of Holly Crossing, Jasmine Estates, and Wright Farms.

Safe Digging Starts with a Call to 811

Avoid injury, expense and embarrassment and a very inconvenient day in the dark, by calling 8-1-1 before you begin your summer digging project. Your underground lines will be marked at no cost to you and you'll be able to dig worry free.

***In the Dark?** If your street has a street lamp that is not working properly, call **United Power at 303.637.1300.** Please have the pole number ready. The pole number is a nine digit number, located on bright yellow tape about eye level on the pole. The lamps may take up to three weeks to be repaired.*
