

Wright Farms Metropolitan District

Summer Newsletter 2018

Tennis court renovations coming this summer!

The tennis courts located at Glacier Peak Elementary School are scheduled to be renovated early this summer.

NOTICE OF VACANCY ON WRIGHT FARMS METROPOLITAN DISTRICT BOARD OF DIRECTORS

There is a vacancy of the five member Board of Directors of the WFMD. Board members are elected, non-partisan positions, with each Board member serving a four year term. To serve on the Board, an individual must be an *eligible elector* of the District, meaning that he or she is *registered to vote in Colorado and either resides in the District, owns property in the District (or is a spouse/civil union partner of an owner of property in the District)*. If you are interested in being appointed to the Board vacancy, please submit a letter of interest to Catherine Bright at cbright@svwpc.com.

The Board of Directors for Wright Farms Metropolitan District (WFMD) distributes this newsletter as a means of communication between the Board and the community concerning the workings of the District. We hope to encourage a cooperative, friendly and enjoyable "sense of community" among the homeowners in the District subdivisions of Holy Crossing, Jasmine Estates, and Wright Farms.

WFMD District Board meets at Anythink Wright Farms Library **Next Meeting: June 7, 2018**

Meetings are held at the **Anythink Wright Farms Library, 5877 E. 120th Ave., at 7:00 p.m.** The WFMD Board of Directors publicizes the date, time and place of the meetings in the newsletter and at the four main entry streets into WFMD subdivisions of Holy Crossing, Wright Farms and Jasmine Estates. Homeowners and residents are welcome and encouraged to attend. A special time is designated during the meeting for public comment.

The goal of the **Adams County Public Works Department—Code Enforcement Office** is to maintain and improve the safety and beauty of Adams County. To accomplish this, the Adams County Board of Commissioners has enacted ordinances and regulations to address issues that may be detrimental to the health, safety, economy and general welfare of citizens.

These ordinances include:

Weeds need to be cut to 6 inches or less.

Trash containers, dumpsters, firewood or other residential-related storage shall not be kept in front of a dwelling for more than 24 hours. All trash containers must be covered.

Vehicles in excess of 7,000 lbs. (gross vehicle weight) cannot be kept or stored in residential areas. All **fencing** must be maintained and kept in good condition. For a complete list of ordinances please visit their website: www.co.adams.co.us/

Please be considerate when using **fireworks**. Most pets and some people are extremely sensitive to loud noises. Also, remember they are illegal.

Please continue to report any **raccoon activity** to the WFMD Hotline.

Toddler playground coming soon!

The WFMD will be installing a toddler playground at the Wright Farms Park, 12355 Krameria St., this summer. The playground will be similar to the one installed at the Holly Crossing Park last year. The playground is designed for the 2 to 5 year age group. The proposed location is marked by a sign and flags. **Please call the hotline at 720-560-1984 by June 7** with any comments or concerns you may have.

THANK YOU

A big thanks to all our neighbors who call the hotline and report graffiti, broken sprinklers and other problems they notice. It is greatly appreciated!

Need a place to party?

If you would like to reserve either the Wright Farms Park pavilion or the Holly Crossing pavilion for your special date, you can call the hotline 720.560.1984 or visit our website at www.wfmd.co and click the link. There is a \$50.00 refundable deposit, once the event is over and the area cleaned.

Safe Digging Starts with a Call to 811

Avoid injury, expense and embarrassment and a very inconvenient day in the dark, by calling 8-1-1 before you begin your summer digging project. Your underground lines will be marked at no cost to you and you'll be able to dig worry free.

In the Dark? *If your street has a street lamp that is not working properly, call United Power at 303.637.1300. Please have the pole number ready. The pole number is a nine digit number, located on bright yellow tape about eye level on the pole. The lamps may take up to three weeks to be repaired.*
