

# WRIGHT FARMS METROPOLITAN DISTRICT WM SERVICE

**WM of Colorado is proud to begin servicing your neighborhood April 4, 2025. We are dedicated to keeping the community safe, clean and green. Following is information about your new WM service.**

## COLLECTION SCHEDULE

- WM will deliver one 96-gallon wheeled trash cart and one 96-gallon wheeled recycling cart beginning March 28, 2025.
  - Starting the first week of April, place your WM cart(s) at the curb by 7:00 a.m. on collection day. Position cart at least three feet away from any obstacles (trees, cars, mailboxes, other carts) so the automatic arm can safely grab, lift and empty your cart.
- 
- WM will collect your **trash** every week on **FRIDAY**. Please be sure to bag and tie your trash and place in the cart with lid closed to avoid wind-blown litter.
  - WM will collect your **recycling** every-other-week on **FRIDAY GOLD** weeks (see calendar). Empty your recyclables loosely (not bagged) into your recycling cart. Only recycle clean paper; flattened cardboard; empty metal food and beverage cans; empty glass bottles and jars; empty plastic bottles, jugs and jars.
  - Ensure all waste materials fit in the cart with the lid closed. WM cannot collect materials left outside of or on top of carts.
  - Keep hazardous waste out of your cart. This includes paint, tires, chemicals, electronics, motor oil, ammunition, pesticides, hot coals, propane tanks or flammable materials.
  - **Need another cart?** Email [fchoacarts@wm.com](mailto:fchoacarts@wm.com) by **Friday, March 14** to order a second trash or recycling cart for \$4 per month - billed monthly, directly to resident. Recycle Material Offset (RMO) charge applies to additional recycling carts. Sign up for paperless billing with autopay to avoid monthly administrative charge on paper invoices.
